

## ANTH260N : Special Topics in Anthropology

This course provides students with an opportunity to learn about an area not covered by existing courses in the social science curriculum. While the topics may vary from semester to semester depending on faculty and student interest, this course emphasizes a core set of essential skills common to all anthropology courses at Nashua Community College. A course description will be made available prior to the start of registration.

**Credits** 3

**Prerequisites**

ENGL101N or ENGL110N, and SOCI101N or ANTH110N
