

# Verification

All students are subject to Verification. Students whose applications for federal student aid (FAFSA) have been selected for verification will be required to submit documentation necessary to complete the verification process. Students will be notified by the college financial aid office as to what documentation is required.

Applicants should be aware that, until all required documentation has been received and reviewed by the Financial Aid Office, no federal student aid will be offered and/or disbursed. If documentation verifies the information submitted on the original application, financial aid will be offered and disbursed. If the documentation indicates the need for corrections, the corrections will be submitted electronically to the Department of Education by the Financial Aid Office. The student will receive a revised Student Aid Report from the Department of Education.
