

# College Counseling

Advisors are available to assist you in addressing career, financial and academic concerns. You may schedule an appointment with an advisor by contacting the Academic Advising Center. The advisors offer counseling to students who would like assistance in making the adjustment to college. The advisors are available to assist students having difficulty studying, academic concerns, and uncertainty about career choice. Also, they will be happy to offer information on other community agencies which could be of assistance in finding solutions to your problems.
