

College Email System

Nashua Community College (NCC) has established a college electronic mail ("email") system as a means of the College sending official information to enrolled students, and for students to send communication to their instructors and other College personnel. All students registered at NCC will be assigned a College email account/address to be used as the only email address for all email communication:

1. Sent to the students from their instructors and from all College personnel; and,
2. Sent by the students to their instructors and to all College personnel.

In addition, students should check their College email account regularly to ensure they are staying current with all official communications. Official communication includes, but is not limited to, policy announcements, registration and billing information, schedule changes, emergency notifications and other critical and time sensitive information.

Students should also check their college email account to be sure that they are current with all email communication from their faculty.

The student email account/address should be the only email address students use to send email to faculty and College personnel so that student email is recognized and opened.

This service is provided exclusively to the students of NCC. Accounts are for individual use only, and are not transferable or to be used by any other individual.
