

Health Services

Students have access to the CCSNH Student Assistance Program (SAP) provided by Kepro which includes free confidential Student Counseling Services (SCS). For more information, see Kepro's section or visit NCC's Student Assistance Program webpage:

Health Services are not provided on the campus, however, there are many health service resources in the vicinity that we refer students to. Costs and eligibility requirements vary. Please contact area agencies for this information in advance whenever possible. Students are responsible for any costs incurred for medical transportation and medical/surgical services. The college is not liable for these expenses.
