Wireless Access Policy

The wireless network is available on campus. Access to the system is controlled solely by the IT staff. Computers accessing the system must have up to date virus protection software and have current virus definition updates in place. If you are a registered student, access the wireless network by logging on using your EasyLogin username and password.

Use of the wireless network must conform to the Student Computer Conduct Code.

For more information on how to connect to campus wireless network, visit https://nashuacc.edu/quick-links/wi-fi-login-help
