

COMM285N : Communications Internship

This course prepares students for an advanced study of communications at the bachelor degree level and will serve as the capstone experience for students enrolled in the Communications program. The course is designed to help students synthesize the learning and skills acquired in their program with reality-based application through an on-site internship. Career planning may be strengthened by mentoring relationships developed through the internship experience. Pre-approval of the internship site and intended project by the program coordinator is required before placement; approved placement is expected prior to the semester start.
